

Water Utility Management

The Cudahy Water Utility has a 5 person Commission whose members are appointed by the Mayor. The Water Utility Commission approves the budgets, capital projects and long range planning for the utility working with the Director of Public Works and the Water Superintendent. Meetings are held on the 3rd Thursday of each month at 4:00 PM in City Hall at 5050 S. Lake Drive. Meetings may be canceled due to a lack of agenda items.

Commission Chair – Henry Kober

Commission Secretary – John Heidenreich

Commissioner – Ray Marsh

Commissioner – William Miller

Commissioner – Ken Kramer

Director of Public Works, Mary Jo Lange, is in charge of the Public Works Department, Engineering Department and Water Department. Ms. Lange acts as the utility engineer.
